

Payless Pre-Read — August 2026

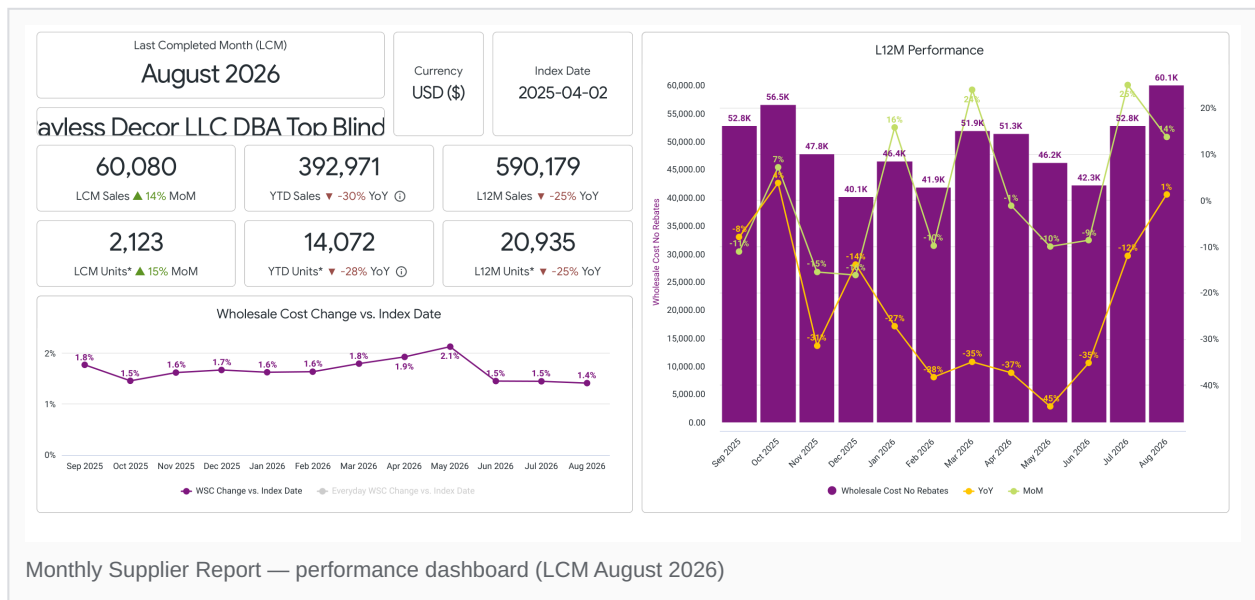

Hi Payless Decor Team,

I'm looking forward to meeting with you and touching base on some future plans!

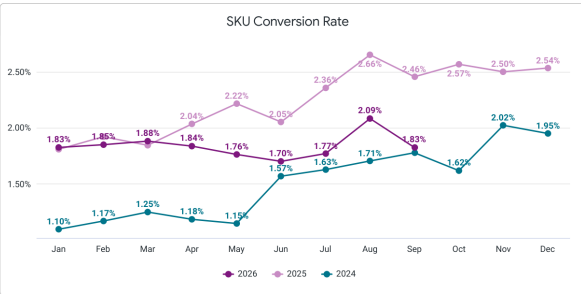

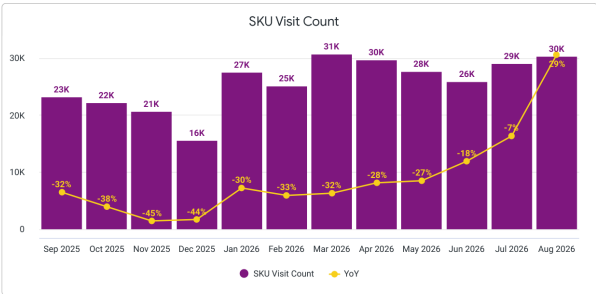

Brief Agenda:

- I included your August performance below as a reference for you. I'd love to walk through this performance recap to highlight additional areas we can partner together in 2026

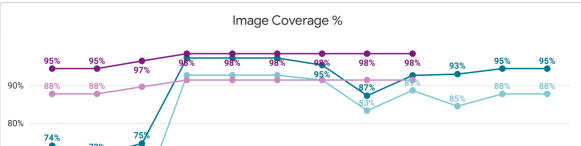

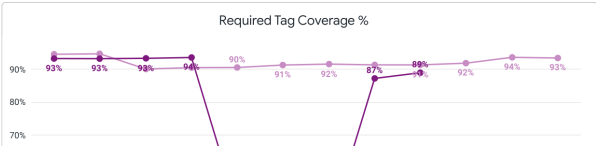

Business Review August 2026

- \$60.1K in WSC (+14% MoM, +1% YoY)
 - MoM trend [confirm vs Blinds & Shades Class](#)
 - YoY trend [confirm vs Blinds & Shades Class](#)
- Traffic:
 - 30k SKU Visits (+3% MoM, +29% YoY)
 - YoY trend [confirm vs Blinds & Shades Class](#)
 - MoM trend [confirm vs Blinds & Shades Class](#)
 - 1.83% CVR in August
 - CVR [confirm class indexing \(historically over indexing\)](#)

Merchandising

Traffic — SKU Visit Count and SKU Conversion Rate

- Advertising
 - 0.3% of WSC into Advertising (August spend \$203; attributed WSC \$731; Wholesale RoAS 360%)
 - Do you have any thoughts on the pilot of your advertising program (ie: do you see it working, do you plan on increasing investment?)

Advertising Program Breakdown

WSP (Product + Keyword)		
Ad Spend (USD)	Total Wholesale RoAS	Total Retail RoAS
1	507%	973%
2	360%	659%
3	341%	663%
4	263%	566%
5	242%	502%

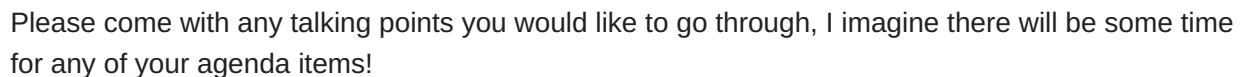

Total Retail RoAS - Values of total retail return on advertising spend are depicted using shades of blue. Pale shades represent lower performance, while deeper blues indicate higher performance over the previous 12 months

Advertising Program Breakdown

- Branded Competitiveness
 - NEED: % Uncompetitive + competitiveness chart from pricing dashboard

- **Key Point:** This is where I think the most opportunity areas are. I know that we have chatted about this, I just wanted to give you a picture of the progression.
- Wayfair Professional:
 - 18% of Sales came from B2B (+42% MoM, +9% YoY)
 - B2B share up +358 bps MoM
- Availability
 - August Availability: 91.1%
 - Slightly soft MoM (91.4% in July), but still above June (89.6%).
- Dropship performance is excellent. 100% supplier fill rate DS
